## Bio

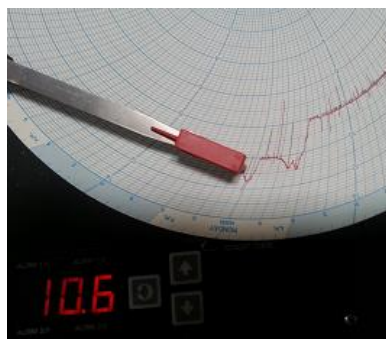

Jim Morgan, Owner has ~20 years of experience with EH&S compliance. He earned his Master's degree in Environmental and Safety Management from West Virginia University and two Bachelor degrees from Alderson Broaddus University.

Before becoming a consultant Jim worked in industry with companies such as Pratt & Whitney, Honeywell, JM Huber and Velsicol Chemical holding the position of EHS Manager.

His hands on approach has allowed him to learn a practical, yet thorough understanding of the EHS regulations and how to apply them to a wide range of company cultures.
